CHAPTER ONE DEFINED

Our mission is purely social. Our goals are selfish, simple and non-profit directed to provide Cobbrodery, fun and experience for members of our Society. All fund raising and activities are directed to this principal. As a group we may elect to participate in a support faction of other motorcycle clubs and organizations in their charity events, but refrain from hosting such activities.

I understand that COBB is a social society and not a motorcycle club. Chapter One's only objective is creating friendly activities and experience for all our members. Support members are not required to have a motorcycle nor meet the basic requirements for regular membership in Chapter One. Support members may participate in all functions and attend meetings except closed executive meetings. They are prohibited from running for an elected office and voting at official Chapter meetings. Support members can serve and vote in committees, but are ineligible to hold the position of committee chair person. Support membership is governed and subject to the stipulations of the Constitution and By Laws of Chapter One. I have read the Pamphlet "Understanding the Motorcycle Community."
