THE COBB GOLDEN RULE

Respect is the name of the game, give it and you will receive it. Remember we are not a motorcycle club or riding club, we're a society, better known as a Social Club. We do not subscribe to anything but our own stupidity. Individual people may have individual "associations" with other entities. Those are strictly personal and have absolutely NOTHING to do with our C.O.B.B. Society. COBBers are friends to all riders, no matter what their affiliation. We remain neutral and have no affiliations with any other organization. We are the guys/gals that have overcome fear, ruffed off our ego's, brushed ourselves off and are still on two wheels after all these years. AGE + EXPERIENCE + RIDING=C.O.B.B. That's all there is to it and that's what we are all about! Please keep this in mind at all times. Because of our age, we've been around the block a few times to say the least, which has given us the experience to know we have nothing to prove and respect what everyone around us is doing. Riding is what has brought on all of this wonderful COBBroditly! So let's keep it that way! It doesn't matter what walk of life you come from. We don't have wanna be's, we have "gonna be's! Party in peace and Ride Till Ya Rot!

*Today well lived will prepare me for the pleasure
and the pain of tomorrow.*

Greetings to all Bastards, Bitches and Guest Readers,

Some exciting changes are on the horizon for our C.O.B.B. family as the camaraderie returns. Your enthusiastic participation is the fuel that will once again propel the Chapter to a new era and respect in the motorcycle community.

Once again, a very special thank you to Kyle and Jasen for volunteering to Co-Chair the Ride Committee. This is one of our most important committees. Please lend your support and appreciation by attending the functions when and where you can. Please send us pictures you take at events as soon as possible so we can publish them as current events for the world to see. Thanks to all for sending pictures of current events. Keep them coming.

There's still a few committee vacancies we must fill. Historian and Third Annual Committee are a few needing immediate attention.

We have no mandatory rules except for paying dues to keep your membership current and in good standing. It would sincerely be appreciated if our local members would try to attend one meeting or function a month. We miss those who added so much to the joys at functions.

I regret having missed many activities the past few months.

Our Fourth of July family campout has to be labeled a complete success thanks to Gonzo and Sonya's many hours of work, coordination and hosting the event; the many contributions of food, fireworks and committee efforts to keep the party going for both the kids and grownups as well. Wayne did a great job with karaoke with a hoarse throat and encouraging patriotic songs, LUCKILY, the second, third and fourth verses of the National Anthem were not attempted. We better practice up for next year. C.O.B.B. was well represented for the Saturday ride to River Ranch. The remaining fireworks were shot Saturday, but there was plenty of food left over. Kyle's cake attracted more attention than appetites! Pictures are posted on the website.

Summer has arrived along with the daily afternoon showers. Time to start toting the rain gear. Hopefully the Ride Committee will have luck planning events. Check the web-site and hotline for upcoming activities. Please ride safe and watch out for the Florida ice.

Weather cancelled a couple mid-week rides and diverted our Okeechobee ride to Lone Cabbage. It looked like a stormy ride home, but the squalls passed and the ride back was dry.

**THE HEAD BASTARDS
COLUMN (CON'T. ON PG, 8)**

Spike Mike sponsored a mystery the back way to Lake Harris on the 19th that was awesome. Boondocks' staff and guests were most appreciative of the C.O.B.B. Salute and our kazoo rendition of happy birthday to "Captain America." Iron Dave was slightly disappointed that his cheese cake arrived up-side-down. Ever had an up-side down cheese cake? He kept us entertained everywhere with his: "Do you have one of these?" the remainder of the day. We met some locals at the Hideaway who invited us to stop at the Haines City Moose on the way home. With skies threatening, our visit at the Hideaway was cut short. The rain for the first 15 minutes was refreshing, but from US 27 back, the sun came out and it became sweltering hot. As always C.O.B.B. was warmly welcomed at the Haines City Moose where we met up with "Franky D." Some ate while others played horse shoes or mixed with the hosts. Pictures are posted on the web.

No one brought a camera for our 7/27 ride to Cherry Pockets, thus no pictures. (Note: Historian can be a committee function.) Come on now! How about a few volunteers & a chairperson. This is history !!! Although hot, the weather was beautiful for the ride and the food exquisite. Iron Dave is still looking for cheesecake that looks like the one on the menu he commandeered!!! Mark, nice to you along. Your Pan-Head looks and sounds great

We hope to have a big turnout for the benefit on 8/2. Check calendar.

We will be having a committee meeting for our Third Annual very soon, Watch for it and be a part of something big. We have signed contracts for the bands, "IRON HORSE" & "JAYCEE BONES" for 9/27. Posters will be out soon.

God Bless our troops and their families for the sacrifices they make. Remember them in your prayers. God Bless America.

It is my privilege and pleasure to serve as your President (Head Bastard, King Korn & a few other things we can't print here!) Party in peace, keep the rubber side down and ride till you rot.

Mystery Ride to Lake Harris July 19th

*Smoke Break at
Boondocks*

Partial crew

June 28th 12 bikers were on their way to a funeral when a cage hit them head on taking ten bikes out. Allstate fixed his cage, but 3 bikes are in storage & they refuse to pay towing, storage, let alone the hospital bills, Three of them lost limbs or partial limbs. Chapter One will be supporting a fund raiser for these unfortunates, Saturday Aug 2nd leaving the D.A.V. at 1:29 pm for this affair. If you are unable to attend, please leave a donation with us for these unfortunate souls. Thank you.

D.A.V. Commander Ron Munroe on the right, receiving a \$500 check at the July 9th meeting from President Newt for allowing Chapter One to use their facilities.

Sam Lamport 's generosity to Chapter One was recognized at the July 9th meeting and was presented with a brass French Horn Kazoo by President Newt.
