## **THE COBB GOLDEN RULE**

Respect is the name of the game, give it and you will receive it. Remember we are not a motorcycle club or riding club, we're a society, better known as a Social Club. We do not subscribe to anything but our own stupidity. Individual people may have individual "associations" with other entities. Those are strictly personal and have absolutely NOTHING to do with our C.O.B.B. Society. COBBers are friends to all riders, no matter what their affiliation. We remain neutral and have no affiliations with any other organization. We are the guys/gals that have overcome fear, ruffed off our ego's, brushed ourselves off and are still on two wheels after all these years. AGE + EXPERIENCE + RIDING=C.O.B.B. That's all there is to it and that's what we are all about! Please keep this in mind at all times. Because of our age, we've been around the block a few times to say the least, which has given us the experience to know we have nothing to prove and respect what everyone around us is doing. Riding is what has brought on all of this wonderful COBBrocity! So let's keep it that way! It doesn't matter what walk of life you come from. We don't have wanna be's, we have "gonna be's!"

**THE HEAD BASTARDS  
COLUMN**

Greetings Brothers, Sisters and Guest Readers,

Wow, January's weather here in Central Florida sure wasn't a testimonial for the "global warming" theory activists and politicians keep trying to convince everyone. I suppose it was time to renew the yard foliage, but hate it my guava trees didn't survive. Night time temperatures of freezing and below didn't exactly promote recreational motorcycling either.

January 3rd a few of us braved the conditions to ride to Zellwood for the 3 Kings Annual to the Anthony house with some 250 other brave souls that Reverend Al Paquette also convinced to show up and make the trek. It was a worthy cause and we were able to get back before the sun went down.

At our protocol visit in the 9th, we were warmly welcomed and had a good time.

A few participated in Orlando Harley's benefit for the Russell Home for Atypical Children that ended at Cowboys. One remark pertaining to their auction items and bidders was: "Man they had some great articles and most of them must've been rich as a bid over a thousand bucks wasn't uncommon.

The Chrome Angels Pink Ribbons for Life Cancer event on the 18th, although, cool wasn't too bad for riding. As always, their event was well coordinated and smoothly executed. Thanks Sky Dancer and your group for the hospitality.

No one reported on the ride to Clearwater with Fire & Iron MC and Eagle Riders. Yours truly was ill and unable to participate. I wonder how many made the 0830 departure. Hopefully Chapter One will show up in force for their next event.

We were shocked to learn of the huge increase in prices for our 4th Annual Pre-Daytona Bash scheduled for 2/20-22. Perhaps Westgate buy out had something to do with the increase far beyond our budget. Finding an alternate site at this late date hasn't been successful. We'll probably end up making the event only one day. The 21st to the morning of the 22nd for those camping out. Thank you Dr. Jay for your generous offer to hold the event on your property. After the committee meeting within the week, we'll post the details on our website and email those with E-mail addresses.

Nominations & Elections are in April which isn't that far away. Now is the time to approach prospective candidates. Remember the 6 P's: Prior Planning Prevents Piss Poor Performance.

Constitution have sent us back to the drawing board to change a few items at their suggestion. It is much easier to do prior to establishing the corporation. Another suggestion was to hold off till after election in April before instituting the new order. Your comments and suggestions are welcome and solicited. Don't wait to send them in. Thanks.

*I pulled into the crowded parking lot at the Su-  
per Wal-Mart Shopping Center and rolled down the  
car windows to make sure my Golden Retriever pup  
had fresh air. She was stretched full-out on the  
back seat and I wanted to impress upon her that she  
must remain there. I walked to the curb backward,  
pointing my finger at the car and saying emphati-  
cally, "Now you stay. Do you hear  
me?" "Stay, Stay!" The driver of  
a nearby car, a pretty blonde young lady, gave me  
a strange look and said, "Why don't you just put it in  
"PARK" ? ! ! ! !*

*This one sent in by the Judge Jim McIntyre:*

A BLACKJACK DEALER and a player with a 13 count in his hand were arguing about whether or not it was appropriate to tip the dealer.

The player said, "When I get bad cards, it's not the dealer's fault. Same when I get good cards. The dealer had nothing to do with it. Why tip him."

"When you eat out, do you tip the waiter?" the dealer asked.

"Yes."

"Well he serves you food. I'm serving you cards, so you should tip me."

"Yeah, well the waiter gives me what I ask for. I'll take an eight."
