**THE COBB GOLDEN RULE**

Respect is the name of the game, give it and you will receive it. Remember we are not a motorcycle club or riding club, we're a society, better known as a Social Club. We do not subscribe to anything but our own stupidity, Individual people may have individual "associations" with other entities. Those are strictly personal and have absolutely NOTHING to do with our C.O.B.B. Society. COBBers are friends to all riders, no matter what their affiliation. We remain neutral and have no affiliations with any other organization. We are the guys/gals that have overcome fear, ruffed off our ego's, brushed ourselves off and are still on two wheels after all these years.

AGE + EXPERIENCE + RIDING=C.O.B.B. That's all there is to it and that's what we are all about! Please keep this in mind at all times. Because of our age, we've been around the block a few times to say the least, which has given us the experience to know we have nothing to prove and respect what everyone around us is doing. Riding is what has brought on all of this wonderful COBBrodity! So let's keep it that way! It doesn't matter what walk of life you come from. We don't have wanna be's, we have "gonna be's!"

Party in peace and Ride Till Ya Rot!

**Greetings to all Bastards, Bitches & Guest Readers,**

**May was another history maker for Chapter One and the C.O.B.B. Society. For many it was another month of working their asses off, but what a pay-off!**

**A lucky few made it to Bike Week in Myrtle Beach. Among them were Frank & Colleen who from there, took off on a riding summer vacation. We'll miss you guys and look forward to your return.**

**On the 12th, Elvis returned from the grave to officiate the biker wedding of Dr. Jay and Beverly. Down the makeshift isle to the rear of their house, motorcycles lined up on both sides as the wedding party rode to the open air alter. The bikes cranked up, revved and roared as the bride to be rolled past. Elvis was attired in a gold satin outfit and rode on a rice rocket, but disappeared immediately after the ceremony. A deafening roar emitted from the bikes as the bride and groom rode rolled by as Mr. and Mrs. Frazier. Both wedding and reception took place on a spacious carport and acre plus yard to the rear of their house.. Dr. Jay assisted by a friend. was up most of the night before cooking the pork and chicken for the crowd and as always the food was fit for a King. (How many husbands cater their own wedding ? ? ?) What a guy! D.J. John kept the group entertained and dancers busy. Congratulations and best wishes for a long and happy life together.**

**May was Motorcycle Awareness Month. The 19<sup>th</sup>, was "Do You See Me Now" day and bikers in Central Florida banded together to make a statement for motorists awareness of bikers. The 461 who rode the minimum speed on I-4 from Seminole HD to the East, Lakeland HD to the West**

and down 27 from Leesburg HD to Old Town in Kissimmee did just that. The old excuse of "I didn't see them" after a crash in most cases really was a matter of inattention for most.. Another 100 or more bikes met up with the group at Old Town for the short program at Son On The Beach auditorium where we honored the family of our fallen brother Robin Burton-Jenkins (Jinx). The entire proceeds, \$3,000.00 plus from this endeavor will be presented to the family at our June 13<sup>th</sup> meeting at the DAV. All expenses were not in at press time.

Our deepest appreciation to all who helped make this day the success it was. Especially Fire & Iron MC. Without you guys, your expertise, contacts and help; this could not have been possible. With a mere five and one half weeks start to finish, the planning and execution carried out in this endeavor is nothing short of a miracle. *Wait till next year!*

There were so many who contributed. Please forgive us if we inadvertently omitted anyone in the credits. Our sincerest thanks to The Chrome Angels, Southern Cruisers, GWRRA, Red Knights MC, Lakeland Harley, Seminole Harley, Leesburg HD, Kissimmee Moose Lodge, Son On the Beach owner and staff, Old Town and most of all Fire & Iron MC. A very special thank you to the band "Detour", for donating their services for the afternoon. Great job gang.

All should be proud of our Tight Bastard (Treasurer) Roger (Colonel Klink) for the expertise and ease he handled the ride to the Twentieth Rolling Thunder at Washington DC. We rode our asses off in 4-1/2 days, but still managed to gain a few pounds.

Everyone's sweetheart, Daniel has stepped up to the plate and accepted the position of Ride Committee Chairman. Daniel brings to the committee an enthusiastic approach and a few new
