THE COBB GOLDEN RULE

Respect is the name of the game, give it and you will receive it. Remember we are not a motorcycle club or riding club, we're a society, better known as a Social Club. We do not subscribe to anything but our own stupidity. Individual people may have individual "associations" with other entities. Those are strictly personal and have absolutely NOTHING to do with our C.O.B.B. Society. COBBers are friends to all riders, no matter what their affiliation. We remain neutral and have no affiliations with any other organization. We are the guys/gals that have overcome fear, ruffed off our ego's, brushed ourselves off and are still on two wheels after all these years. AGE + EXPERIENCE + RIDING=C.O.B.B. That's all there is to it and that's what we are all about! Please keep this in mind at all times. Because of our age, we've been around the block a few times to say the least, which has given us the experience to know we have nothing to prove and respect what everyone around us is doing. Riding is what has brought on all of this wonderful COBBroidity! So let's keep it that way! It doesn't matter what walk of life you come from. We don't have wanna be's, we have "gonna be's!"

If you do the very best you can, the future will take care of itself.

**THE HEAD BASTARDS
COLUMN**

Greetings to all Bastards, Bitches and Guest Readers,

Thanks so much for the concern of so many regarding my health. The past few months haven't been much fun, but there always seems to be a handicap of one sort or another to overcome and this too shall pass. Thanks to VP1 Gino for running the meeting of 5/28.

We hope to assign teams and have an Officers meeting early this month to outline some exciting changes to our C.O.B.B. family as the camaraderie returns and we become one of the finest teams in the motorcycling community. Your participation is necessary to make this a reality.

There's a few committee vacancies we must fill. They are Ride Committee, Historian and Third Annual are a few needing immediate attention. Thanks Duck and DJ for sending pictures of current events.

The greatest joys and pride of accomplishment generally are the result of hard work and overcoming difficulties. A quitter doesn't win and a winner doesn't quit. Consider this a personal invitation to play on our winning team. We have no mandatory rules except for paying dues to keep your membership current and in good standing. It would sincerely be appreciated if our local members would try to attend one meeting or function a month. We miss those who added so much to the joys at functions.

I regret having missed many activities in May. I received good reports on the Bikers, Blues and BBQ in St. Cloud the 3rd & 4th; was told the ride to Webster was hot.

Thanks to the 23 bikes that showed up for the Bear Memorial Mystery Ride. Part of the mystery was finding out the facilities at Lake Hachinaw were closed and for sale. Luckily there was some nice shade trees to take a break under. Next stop was Haines City Moose where we were treated royally. We also held a brief ceremony in celebration of Bears life. The mystery continued from there as your pack leader led the entourage in a parade down the sidewalk the last two blocks on 192 to last stop at Whiskey River. No pictures of the parade were turned in, but the website has a lot of others posted. If

was great to feel well enough to make this event. It is hard to believe it has been a year since Bear left us, but all knew he was along on the ride. Midget got to make her first official Chapter ride and surprised many at her improved riding skills.

The ride to Rolling Thunder had to be called off for a number of reasons, but there is always next year.

Inclement weather cancelled our ride to Lone Cabbage on the 24th.

A few lucky dogs got to see the shuttle take off on schedule the 31st. There are only ten missions left before the shuttle missions are retired. Perhaps we can organize a trip to the Cape before that occurs.

Summer is rapidly approaching and soon we will be having our daily afternoon showers. Time to start toting the rain gear. Hopefully the Ride Committee will have luck planning events. Check the web-site and hotline for upcoming activities. Please ride safe and watch out for the Florida ice.

I am curious if anyone checked out the article posted in last months newsletter on "Take a Message to Garcia." If you haven't, it's on the web-site in May 2008. I realize it requires a few precious minutes to do so, but worth the effort if time to do so becomes available.

God Bless our troops and their families for the sacrifices they make. Remember them in your prayers. God Bless America.

It is my privilege and pleasure to serve as your President (Head Bastard, King Korn & a few other things we can't print here!) Party in peace, keep the rubber side down and ride till you rot.

A little guy is sitting at the bar just staring at his drink for half an hour when this big trouble-making biker steps next to him, grabs his drink, gulps it down in one swig and then turns to the guy with a menacing stare as if to say, 'What'cha gonna do about it?'

The poor little guy starts crying.

'Come on man I was just giving you a hard time,' the biker says. 'I didn't think you'd CRY.' 'I can't stand to see a man crying.

'This is the worst day of my life,' says the little guy between sobs. 'I can't do anything right.' 'I overslept and was late to an important meeting, so my boss fired me.

When I went to the parking lot, I found my car was stolen and I don't have any insurance. I left my wallet in the cab I took home. I found my wife in bed with the gardener and my dog bit me.

So I came to this bar trying to work up the courage to put an end to my life, and then you show up and drink the damn poison.
