THE COBB GOLDEN RULE

Respect is the name of the game, give it and you will receive it. Remember we are not a motorcycle club or riding club, we're a society, better known as a Social Club. We do not subscribe to anything but our own stupidity. Individual people may have individual "associations" with other entities. Those are strictly personal and have absolutely NOTHING to do with our C.O.B.B. Society. COBBers are friends to all riders, no matter what their affiliation. We remain neutral and have no affiliations with any other organization. We are the guys/gals that have overcome fear, ruffed off our ego's, brushed ourselves off and are still on two wheels after all these years. AGE + EXPERIENCE + RIDING=C.O.B.B. That's all there is to it and that's what we are all about! Please keep this in mind at all times. Because of our age, we've been around the block a few times to say the least, which has given us the experience to know we have nothing to prove and respect what everyone around us is doing. Riding is what has brought on all of this wonderful COBBroidity! So let's keep it that way! It doesn't matter what walk of life you come from. We don't have wanna be's, we have "gonna be's! Party in peace and Ride Till Ya Rot!

Times change, people progress, but good manners never go out of style.

*Happy Birthday to everyone having
a Birthday in November*

THE HEAD BASTARDS COLUMN

Greetings Biker Bro's, Babes and Guest Readers,

After much effort and toiling hours, we have completed the Constitution, By-Laws and Manual of Procedure for the new International Society. At the November 12th meeting we'll be voting for Chapter One's approval to sponsor this corporation. It is important to have a good turnout for this very important business session. Please be advised that your dues must be current to vote. If you are delinquent, you can pay them online or at the meeting. Thank you.

In the event you are not up to date with recent C.O.B.B. Society events, here is a brief review: We were shocked in August to learn our founding father unexpectedly pulled the plug and shut down the world wide Society of C.O.B.B. With so much interest world wide in the principles of our Society, we felt compelled to do something to keep the Society alive. An information copy of the proposed Constitution is published on our website for your perusal. (www.cflcobbl.com) If this agenda is approved 11/12/2008, we will immediately file corporation papers and initiate a copyright for the new patch.

Our October agenda was limited due to weather, participation etc: We were disappointed that the Atlantis night launch was postponed as it had promise of a great ride and event.

A few did make it to Sanford's Bike Fest on the 12th and reported they had a great time.

After many rainouts, on the 15th, we were finally able to make the run to Bogard's for bike nite and were told by the management and staff that they missed us.

The ride to Daytona to Biketoberfest on both the 18th and 19th was great. They said attendance was down this year, but you couldn't tell from the traffic. Perhaps it was merely the time of day and routes we chose !!! A last minute invitation to the Haines City Moose for their Halloween Party and Haunted House was awesome. We were truly impressed with the professionalism of everything. It was rewarding to see that many people working together for a common goal. Annie and Doug, it was nice to have you along.

There's many activities during the month of November and our calendar is incomplete as of this writing. Please check the web-site and hotline for activities. With the economy as it is, we'll try to arrange activities as affordable as possible.

Your Ride Committee puts a lot of time and effort to schedule interesting rides and activities for your enjoyment and pleasure. It doesn't take long

Dues: Many haven't received their Dues Notices in the mail for one reason or another. -If you've been a member of Chapter One for a year or more, your dues of: \$30 - Regular members and \$20 - Support members are due. They can be paid at a meeting or sent to the Chapter at PO Box 422201, Kissimmee, FL 34742-2291. Make your check payable to Chapter One of the COBB Society.

Please notify us of any changes to your email or mailing address.

to get discouraged if few show up. Please lend your support and appreciation by attending the functions when and where you can.

Please bear with us as we go through this transitional period and know the Society will be better organized and more attentive to the membership. It is seldom that success befalls upon any organization, business/ individual or endeavor unless time and effort is dedicated. To lead to that destiny requires dedication, knowledge, time and an occasional buck or two. In stepping up as CEO of the International Society, a person of this caliber is needed to take over the presidency of Chapter One. When interest is divided, generally both are effected negatively. In the past three plus years, we have come a long way. Our organization is fairly solid, if the path is followed. I feel that new leadership will positively benefit the Chapter.

This shouldn't and cannot be a last minute decision. Remember the 6 P's. Please use the immediate near future to wisely find the best candidates for Chapter President and the vacancies presently existing. I will help and support the Chapter One in every way possible. Do your part in trying to attend at least one meeting and/or function a month when possible. Thank you.

It is a genuine pleasure to serve you,

Luck means the hardships and privations which you have not hesitated to endure, the long nights you have devoted to work.

Luck means the appointments you have never failed to keep; the trains you never fail to catch.
