Ask your lawyer, banker, lawn care specialist, mechanic, parts store, tire dealer, printer, barber, beautician, handyman, photographer, restaurant, hardware store, real estate person or others you are in contact with to sponsor an issue of this world-wide distributed newsletter.

Their \$100.00 contribution gets their ad on this page the month of their sponsoring plus their business card in the next eleven issues,

Thank you

Please keep this in mind at all times

THE COBB GOLDEN RULE

Respect is the name of the game, give it and you will receive it. Remember we are not a motorcycle club or riding club, we're a society, better known as a Social Club. We do not subscribe to anything but our own stupidity. Individual people may have individual "associations" with other entities. Those are strictly personal and have absolutely NOTHING to do with our C.O.B.B. Society. COBBers are friends to all riders, no matter what their affiliation. We remain neutral and have no affiliations with any other organization. We are the guys/gals that have overcome fear, ruffed off our ego's, brushed ourselves off and are still on two wheels after all these years. AGE + EXPERIENCE + RIDING=C.O.B.B. That's all there is to it and that's what we are all about! Please keep this in mind at all times. Because of our age, we've been around the block a few times to say the least, which has given us the experience to know we have nothing to prove and respect what everyone around us is doing. Riding is what has brought on all of this wonderful COBBroidity! So let's keep it that way! It doesn't matter what walk of life you come from. We don't have wanna be's, we have "gonna be's!"

Criticism is. . . always a kind of compliment.

JOHN MADDOX .

Also please send us any changes to your email, residence address and phone number. Thank you for your patience.

The belief that youth is the happiest time of life is founded on a fallacy. The happiest person is the person who thinks the most interesting thoughts, and we grow happier as we grow older.

P R E S I D E N T ' S C O L U M N

Weather cancelled a few of our July activities, never the less, those that were unaffected brought back memories of past Chapter activities and the fun we had.

The turnout for the Chrome Angels Run July 12th was awesome with nearly a full complement of officers attending. As always Jessie and her gals put together a super run Good Job gang! My first lady "Diane" on her very first poker run came in second. "Beginners Luck," perhaps, but congratulations anyway. We somehow managed to dodge the raindrops with a fun day for all. Our C.O.B.B. salute at Franks in Ocoee the final stop, was enthusiastically applauded.

Although hotter than Hades, the Hideout's July 25th run for Sunnyside School supplies was well attended.

If you haven't made any of our recent activities, Chapter One is back rockin' & rollin'.

EDITOR'S NOTES

Our goal is that Chapter One's newsletter and the web site represents the Chapter in the best possible manner we can, but without your input and support we are limited. Please send us copies of the pictures you take at functions and notes of interest while they are current and still news.

(continued next page.)

Approach every task as though it were the moment that will define you.

(Continued from page 5)

A hearty welcome to our new and returning members and the renewed spirit of camaraderie we've been fortunate to share.

Our first shipment of "Brother's" patches have arrived and are really sharp. There are several different types of thread in the skull that make it come alive in different lighting. The full patch is \$60.00 and 3" patch is \$10.00. The "Sister's" patch should be here in a few weeks and are \$50.00 for the large and \$10.00 for the small one. If ordering the full patches by mail or online, please include \$5.95 for shipping and insurance. All full back patches are numbered and are the property of the Society until you complete five years of continuous membership. *(See Constitution & By-Laws)*

We have secured the Kissimmee Sports Arena for our Annual, Sept. 18-20, 2009. This event has promise of being one of the finest Chapter events ever. Mark your calendar now to spend the weekend or to attend the big day on Saturday. RV with electric & water and tent camping is available on a first come, first serve basis.

HELP is needed: Games— See Jasen, Security— See Curby, Parking - See Midget, Friday Set-up—See Newt, General help—See Pres. ET.

Rome wasn't built in a day and so it goes with Chapter One. A few planned agenda's have had to be postponed, but rest assured, they will come to pass. All things considered, *(Shoe-stringed Budget Included)* we have come a long way and earned the right to "Ride with Pride." AND - the best is yet to come!

Team competition begins September 1st for sure!!!
